~Announcing~ The 33rd Annual Christmas Parade

Merry Christmas...

Yes, Christmas is right around the corner. That means it is time to plan your participation in the annual Swartz Creek Area Fire Department's Christmas Parade and activities.

This year's parade will be held on December 2, 2017. Line up at the Swartz Creek Middle Schools North parking lot, off Miller Rd, starting at 5:15pm. The parade will begin promptly at 6:00pm. Entries arriving after 5:45pm, will be positioned last and will not be part of the judging process. This is an evening parade, so be sure to use lights on your entry! The parade ends at fire station 1, off of Fortino Drive, where activities will then be held inside the Fire Hall. Please stay until the parade participation plaques are presented to the winners.

Plan to participate and help celebrate with your community.

Please pass this invitation along to all persons or groups who may also be interested in participating. For additional information contact

The Parade Committee at 635-2300 Ext 120.

Please RSVP your entry before November 24 2017.

We hope you will make our holiday wish come true by joining us this year.

NOTE: Please no Santa's. We are providing the Santa for the parade.
